A REMINDER! Babies are being born every day and the HGB nurses enjoy presenting a hat to the parents. So . . .keep making hats! If you have some ready and would like me to pick them up, just let me know. Thanks!

Susan Davis (Ralph)

I grew up in DeWitt, Michigan where I graduated in a class of 100 students. I then went to Central Michigan University where I earned my Bachelor of Science degree in Sociology and Psychology. After graduating, I married my husband, Ralph, and moved to Charlotte where I have now lived for thirty two years.

As we began our family, I returned to college at Michigan State University earning my Elementary Teaching Certificate and later my Master of Arts Degree in Curriculum and Instruction. I taught at St. Mary School for a number of years before becoming the principal during my final four years there.

I am currently enjoying the stress free life of a stay at home wife. I truly value the freedom and flexibility of my new schedule which allows me to help my four children: Christine(30) and her husband Edward Corbin with their six children, Ryan (28) and his wife Chrissy and their two children, Allison (26) and her husband AJ Preston and their two children, and Brandon (23) and his wife Alexis and their little boy.

Ralph and I have a park unit at Silver Lake where we spend most summer weekends enjoying the company of our friends and family and the magnificent beauty of Lake Michigan and the Sand Dunes. I am also a member of the Busy Bunko Babes and the Bulb and Blossom Clubs in Charlotte and enjoy a number of hobbies including Stained Glass and Reading.

I was very active in helping the community through the Jaycess organization when my children were younger. It seems as though with the busy life of full time work, continued education, and the activities and sports that my children were engaged in, finding time for outside involvement became too difficult. I am now looking forward to working with other club members to help my community. I have truly been blessed in my life, and rejoice in the opportunity to share those blessings with others.

BOARD TALK – NOLA BUCK

Happy Birthday. GFWC. I have received an email from Jacquelyn Pierce reminding us that, “On April 24, 1890, members of 63 women’s clubs from throughout the United States came together to form the General Federation of Women’s Clubs at a ratification convention in New York City.”

The membership committee reports that GFWC-Charlotte now has 106 members.

I am very proud to report that two of our members were recognized at the Annual Chamber of Commerce Dinner. Lori Pray was honored with the Athena Award. (See article on page 2.) Carol Monroe was honored with the Community Excellence Award for her commitment to the Eaton Clothing and Furniture Center as well as many other volunteer commitments she has to the community. Congratulations to both of these ladies.

We voted at the March General meeting to donate \$500 toward the refurbishing of the Sheriff’s Residence where we keep our archives. A very nice thank you note has been received from the Courthouse Square Association.

Please mark your calendars-- we have some important days coming up. We need you at the Brainstorming meeting at my house on May 2. Be sure to check out the details in this newsletter. If you are reading this before April 18 and still wish to attend Cornwell’s Dinner Theatre, please call Shirley Rann immediately. She needs to finalize the reservations. It sounds like a fun night. The Senior Tea is 1:00 on May 8 at the Charlotte Performing Arts Center. Don Colizzi will be our speaker. It is important to have a good attendance of members to show support of our high school graduates.

I hope all of you are enjoying the spring days we are finally getting. As a skier I love the snow, but it’s time to get out the rake and get our hands dirty. See you May 2nd.

BRAINSTORMING - WE NEED YOU

The Brainstorming Brunch will be held at Nola Buck’s home at 1775 E. Clinton Trail at 10:30 on May 2. To avoid parking on the road, we will be parking cars on the lawn. It would help if members carpooled to cut down on the number of cars. Mary Remenak and Nola Buck are treating us to a Brunch to thank everyone for helping us have a great year. Dress casual and bring your program suggestions for 2008 - 2009 for Carole Barnett-Stopper, our incoming Vice President. We are asking that you confirm your plan to attend with Mary (541-0382 - lovetthouse@voyager.net) or Nola (543-2681 - dougbuck@att.net)

TEA AND TOMES: "It is a truth universally acknowledged, that a single man in possession of a good fortune, must be in want of a wife." So begins the opening line of Jane Austen's most famous novel, *Pride and Prejudice*. Let the discussion begin! This classic, romantic tome will be the final book of the 2007-2008 GFWC year. Tea and Tomes book discussions will begin again in September. You are invited to join us this month for a luncheon, with tea, at the home of Mary Remenak, 405 E. Street, on April 22, at 12:00 o'clock. Hats may be worn on special occasion. Book Club members are asked to respond to Mary at 0382, if they have not already done so. An evaluation of this year's activities and book selection recommendations for next year will follow the luncheon and book discussion.

Kind News Update

I wanted to start early promoting *Kind News*. This is a very well-received program that GFWC offers at the national level.

Members of GFWC have the opportunity to adopt teachers, so that their class may receive a monthly newsletter. The teacher receives 30 copies with a lesson plan to share with his/her students each month during the school year.

The students benefit from articles and cartoons and games relating to the environment, friendships and tender care of animals.

It is time to present this to the general membership, please let me know if you are interested in adopting a teacher. It is a wonderful way to promote youth literacy.

The cost is \$25.00 for the year. I will be contacting last year's sponsors and the adopted teachers just to make sure that they wish to continue.

Please call me if you have any questions, if you wish to adopt a teacher, please send me a check for \$25.00 as soon as possible. Also, if you know of a teacher you wish to sponsor, that is great. If you do not have a teacher in mind, I can find one for you.

Thank you to Mike, Bobbie, Lola, Marilyn, Lee and also the General Membership (for sponsoring two teachers) for the kindness in supporting the program this year.

Happy Spring!

Jenny Lamb, Coordinator

Mobile Meals, Inc.

of Charlotte

Mobile Meals, Inc. of Charlotte began in January, 1971 as the result of an established need called to the attention of General Federation of Women's Clubs-Charlotte (GFWC-Charlotte) by Dr. B. P. Brown. The organization is headed by a seven-person board of directors, one of whom is always the current president of GFWC-Charlotte. Mobile Meals functions with about 100 **unpaid** volunteers from the community – many of whom have been with the program since its inception 37 years ago.

Basically, it provides about 6,500 meals each year to shut-ins, convalescents, physically or mentally handicapped individuals who are unable to adequately care for themselves. This program is based on need, not age or financial criteria. The meals are prepared by Hayes Green Beach Hospital and its dietitian, Julee Emenhiser, oversees this part of the program. She also serves as the Qualifier. Special diets and food preferences are accommodated. The noon meal usually includes cooked meat, poultry, or fish, potato or substitute, vegetable, salad, bread, butter, milk and dessert. The supper meal consists of a sandwich, salad, dessert and milk.

Volunteer drivers are scheduled once a month to pick up the meals at the hospital around 11:15 and deliver a hot meal to the subscribers. A cold supper meal is also available and is delivered with the noon meal. The program operates 365 days per year, including holidays and weekends! GFWC-Charlotte oversees the scheduling and reminding drivers and handles administrative duties. Many of the drivers are from that organization. In addition to the regularly scheduled drivers, substitutes are always needed.

The Eaton County United Way partially subsidizes the cost of each meal, and Food Stamps are accepted. The current cost is \$3 for the hot noon meal and \$2 for the cold supper meal.

Besides meeting food needs of the subscribers, the daily contact boosts morale and has saved lives. It also enables subscribers to be released from hospital stays earlier. To learn more about volunteering for this organization, contact Linda Foster, 517-543-3041. To find out how to obtain this service, contact Julee Emenhiser, 517-541-5909.

A GFWC-CHARLOTTE COMMUNITY SERVICE PROJECT SINCE 1971. THANKS TO ALL WHO HELP WITH THIS PROGRAM – BOARD MEMBERS, COORDINATORS, DRIVERS, FOOD PREPARERS, HGB HOSPITAL, EATON COMMUNITY UNITED WAY!

Here's a Second Chance . . .

As of April 1st, unused **Education Foundation** funds from all districts were pooled and are available. Contact Linda Foster (543-3041) for more information if you are interested in applying for a scholarship.
